Academic Excellence Program (AEP)

Discover a world of limitless possibility! Our Academic Excellence Program is designed to engage, challenge and inspire exceptionally able students, providing them with enrichment, extension and acceleration across the core subject areas – English, Mathematics, Science and Humanities & Social Sciences.

21st Century Skills

With a strong focus on self-directed and deep learning, our program aims to foster the development of twenty-first century skills, that will empower students to excel in an ever-changing world.

Enrol Today!

Places into our Academic Excellence Program are strictly limited and subject to a rigorous selection process, based on the results of the Higher Ability Selection Test (HAST). The HAST is administered by the Australian Council of Educational Research (ACER), at a testing session held each semester at Piara Waters Senior High School.

To express your interest, please contact our Enrolments Officer at 6174 2777 or at piarawaters.shs@education.wa.edu.au

Global Competencies

The Academic Excellence Program embraces self-directed and deep learning, enhancing the development of concentration, resilience, curiosity, perseverance, communication, critical thinking and collaboration.
